CC Summer Camp offers Enrichment Clubs every morning from 10AM-11AM. Sign up on Mondays! New Enrichment clubs happen every week! Stay tuned!

# ENRICHMENT CLUBS!!!

## Which club will you join?

### **Land of Enchanting Art Club**

Kids will be able to use their creativity and imagination in this club! Each day, kids will create a New Mexican craft that is specific to New Mexico. Kids will learn about popular art styles native to New Mexico and will create art pieces like pottery, beaded bracelets, and more!

### **Up, Up, and Away Club**

This club specializes in design and decoration! Kids will need to use teamwork and lots of creativity. Kids will work together each day to design and create different types of hot air balloons using paper mache and other materials. The kids will also participate in fun active games that will foster an appreciation of New Mexico staples.

### **Only in New Mexico Club**

Learn the history of New Mexico and quick thinking skills! Students will learn fun facts and trivia about New Mexico and learn to appreciate their amazing state. Kids will work together to create board games that they can play that will show just how great New Mexico can be.

### **New Mexico Cooking Club**

If you join this club, be prepared to cook! Kids will learn how to shop for and make certain New Mexican food dishes! This club teaches kids to follow recipes, prepare food safely, and how to cook delicious food. At the end of the week, ingredients will be used to make burritos!

### **Hot Air Balloons Club**

In this club, each day the kids will experiment with how hot air balloons work. They will decorate and make their own hot air balloons. Kids will learn about the importance and history of hot air balloons and how they impacted the world.

# A Letter to All Parents:

**Kids: Please show your parents this page**

**All children MUST be signed in and signed out by an adult every day.** If you are late and/or do not sign out your child on our iPad, you will be charged an additional fee of \$1 per minute after 6pm.

**Every adult will be required to present a picture ID to staff at pick up.**

Please remain patient if/when you are asked to show ID even if you've picked up your child before. This is non-negotiable as it is a licensing requirement. There are a lot of new kids and a lot of staff that have yet to meet you! Once we get to know you and your child, you will probably be asked less and less for your ID. Nevertheless, we must ensure that your child goes home with the correct adult, so please make sure you always have an ID at pick up.

**Check the lost and found!** Summer is a great time to lose jackets, water bottles, swimsuits, lunchboxes, underwear, etc. Please label your child's belongings with their name to make it easier to find their things.

Throughout the summer, we will periodically clear out the lost and found and donate the unclaimed items to charity.

Note swim/waterplay and field trip days! Please bring a swim suit and a towel on your swim and waterplay days. Good walking shoes, hat, and water bottle are always a good idea for field trip days!

Thanks,  
The CC staff at Inez
