

# BANDELIER SUMMER CAMP NEWSLETTER

JULY 1<sup>ST</sup>-JULY 12<sup>TH</sup>

Welcome to what is sure to be another adventure filled summer at Children's Choice! Our Adventure Lands theme will be taking us to some interesting places near and far!

This week we will be finishing up our adventures on Fantasy Island! We had a great time fighting dragons, making mystical potions and going on fantastical field trips! Next up is Land Before Time where we will be having fun with the dinosaurs!

## Things to Know

- Adults check in at the parent table on the iPad. You will use your pin code for check in and check out. Please remember your ID, as new staff throughout the summer will not be able to let your child leave without proper authorization.
- Lunch will be provided by APS this summer. If you choose to bring your own, please bring one that does not need refrigeration or to be heated.
- Send a water bottle with your child's name on it.
- Send 2 bottles of sunscreen per child.
- Send your child already sun screened. We will continue to sunscreen them every 2-3 hours. If your child can not be sun screened, be sure to send alternatives, such as a hat, etc.
- A schedule of field trips and swim days will be available on the parent table. We will have one field trip per week for the younger unit and one per week for the older unit.
- **SWIMMING**
  - Remember to pack a swim suit and towel for swim days.
  - Cabins 1 and 2 will be doing water play at the site. They will still require swim clothes and a towel.
  - Cabins 3-8 will be alternating between swimming and staying back at the site. We will keep you informed of the schedules.
- Personal items are allowed at the responsibility of the child and only at free time. No electronics, including cellphones!
- Cabins 1 and 2 will have down time after lunch. They may bring something soft to lay on or with that will be returned at the end of each week to be laundered.

## Fantasy Island Here We Come!

This week at Camp we had so many fun fantasy activities! We made magical potions, dragon eggs and even our own volcano! Our field trips to the Zoo and Botanical Gardens were full of fun and fantastical adventures!

The kids had a great time exploring the Zoo and Botanical Gardens! They really enjoyed looking at the penguins at the Zoo and exploring the giant garden at the Botanical Gardens! Also, no trip to the Zoo is complete without a picture in the big mosaic chair!

SUMMER  
FUN!

## FUN WITH STAFF

Every Friday we have an assembly with the whole camp to present something fun for everyone to see. We had a cabin leader fashion show where the kids got to dress up their cabin leader any way they liked and we also made cabin flags together with things that were important to us and things that represented us as a whole cabin!
