Name

Date

Zuni

Outside = Quigley Park NW Corner of San Pedro and Claremont; Inside: Cleveland M.S. 6910 Natalie Ave SE, 881-9227

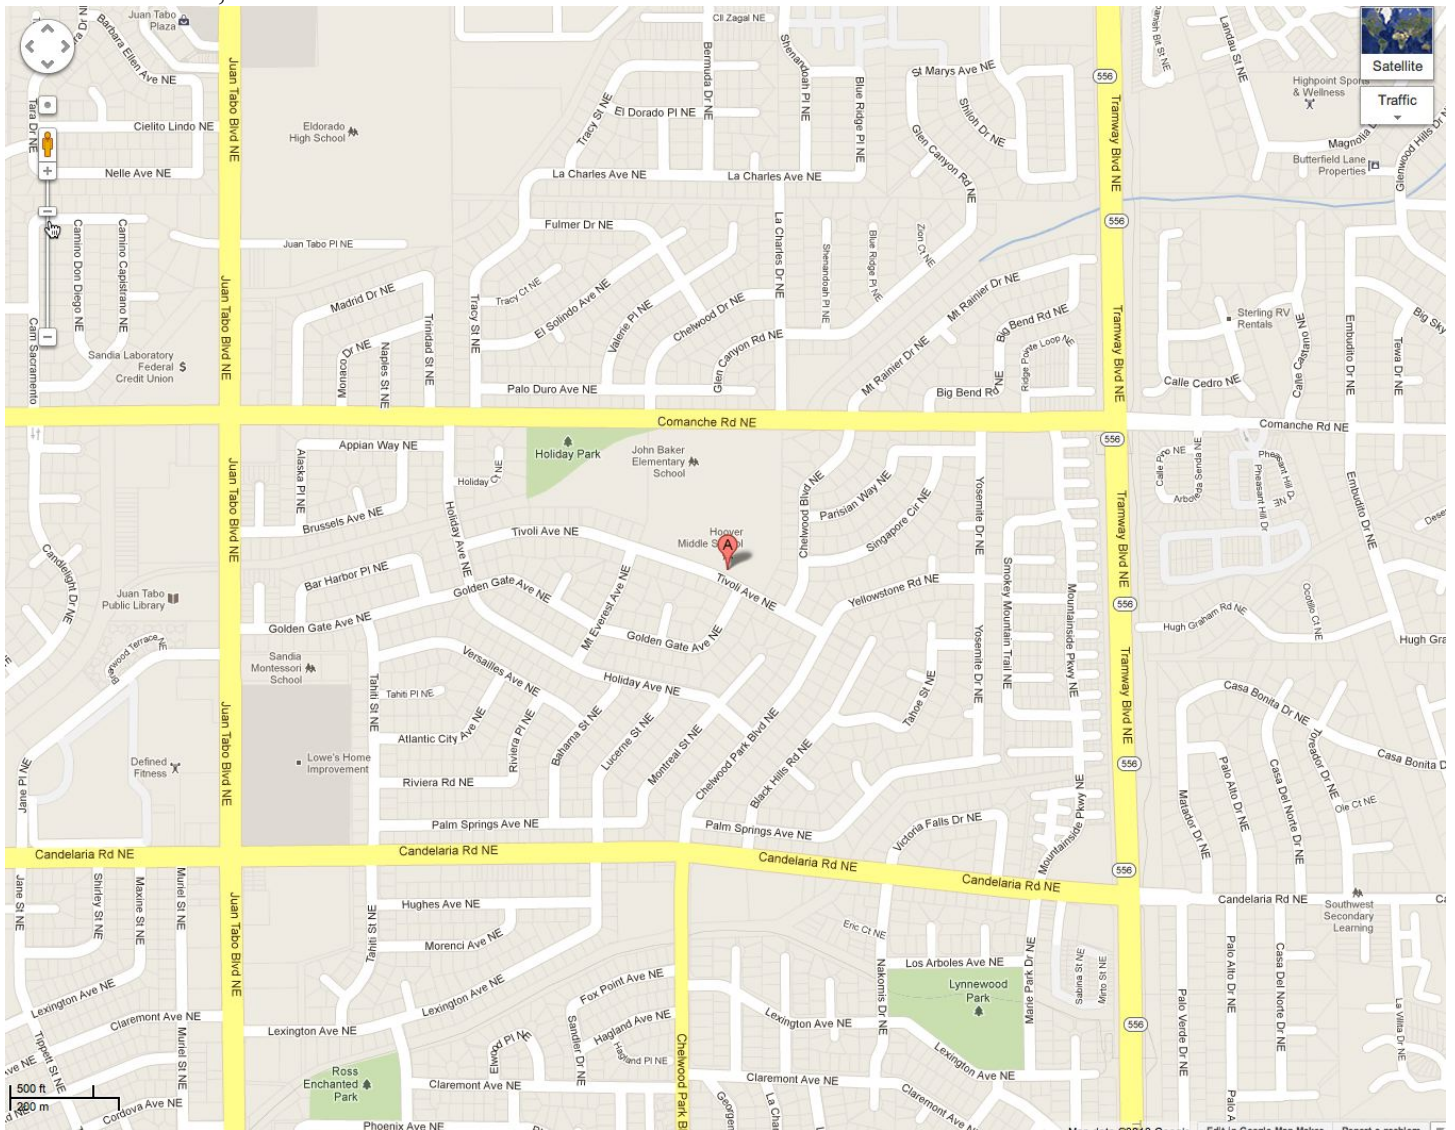

Determination. Determine if there is eminent threat or danger. And if necessary, take action to protect children, staff, and property. Eliminate or move away from threat. This may include moving people to a more appropriate location within school facilities for example: away from windows if the threat is outside. Secure all doors to isolate children and staff from any dangerous situation. This may include relocation - away from school entirely if the facility as a whole has become hazardous.

Relocation & Reunification:

- If a charter bus is available, transport the entire program safely to any Children's Choice program location.
- Bring field trip backpack: Attendance sheet, registration book (parent contact info), first aid pack.
- Use attendance sheet to account for all children and staff.
- Provide assistance to students or staff.
- Provide reasonable accommodation and special assistance to any child or staff with special needs.
- In case of injury follow First Aid Training.
- If safe and possible, direct public safety responders to the scene.
- Notify appropriate entities.
 - 911 if police, fire or ambulance is needed.
 - Poison Information Center 272-2222
 - APS Security 243-7712.
 - School principal.
 - Mike, Chelsea, and Youth Programs Directors.
 - Notify parents of the new location, so they may plan for reunification, once all children are safe.

John Baker

Outside = Holiday Park South side of Comanche just North of Holiday St; Inside = Hoover Middle School
12015 Tivoli NE, 298-6896.

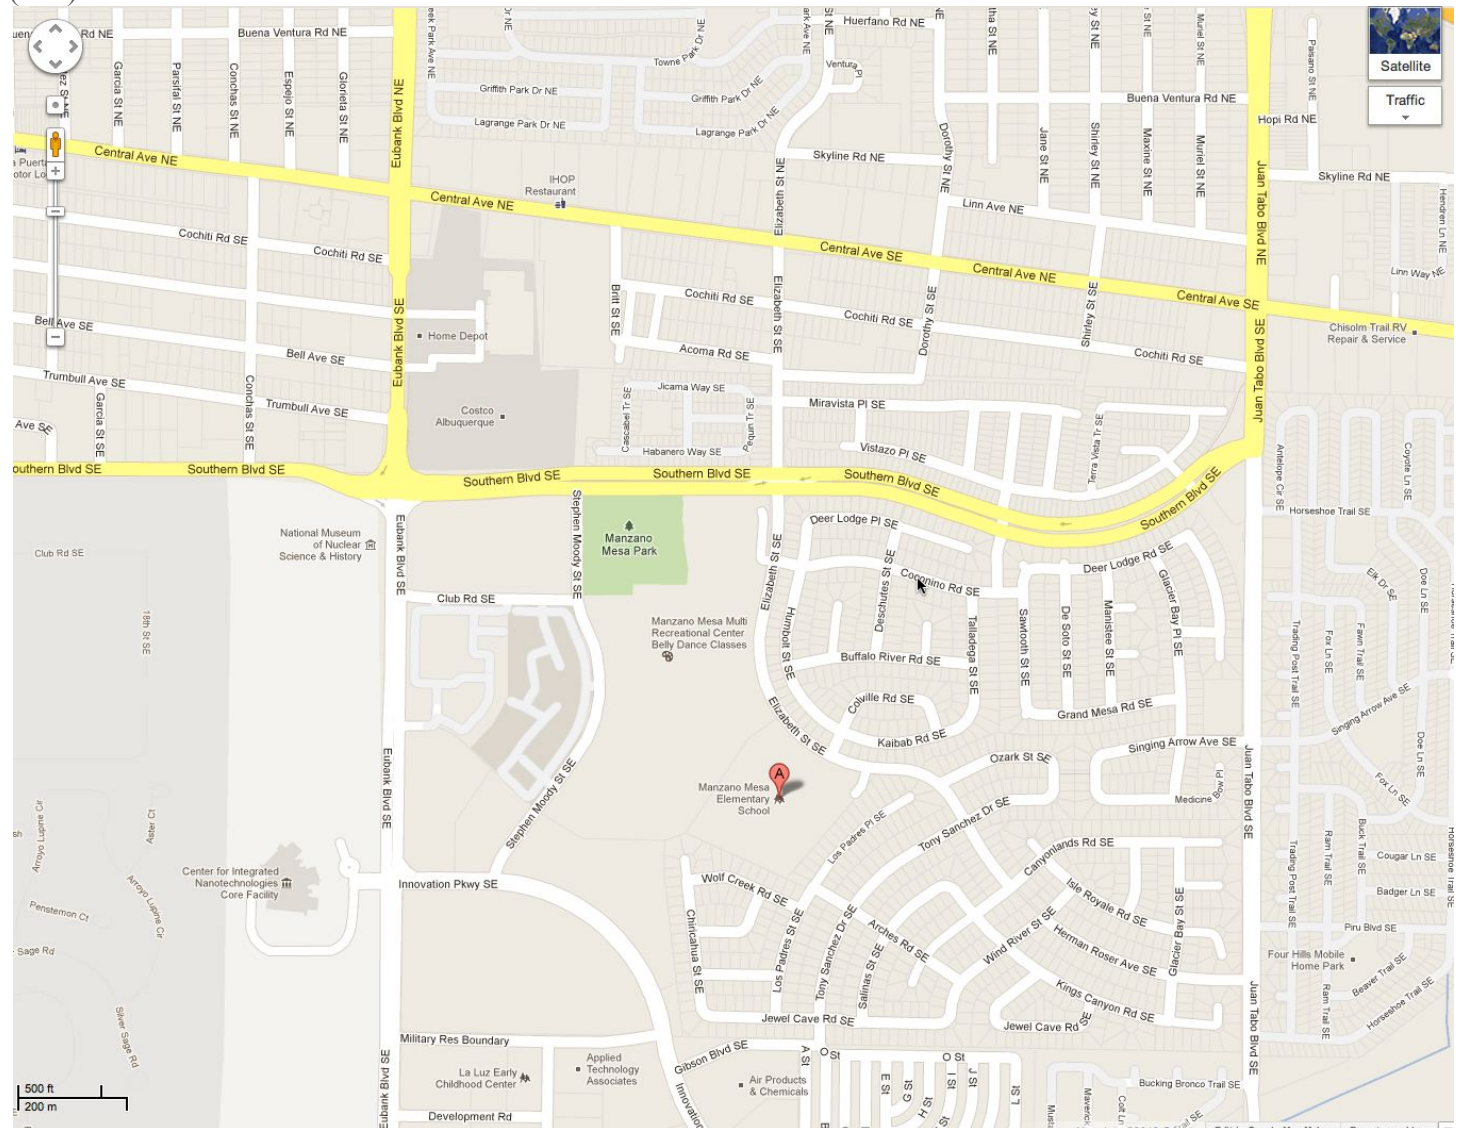

Determination. Determine if there is eminent threat or danger. And if necessary, take action to protect children, staff, and property. Eliminate or move away from threat. This may include moving people to a more appropriate location within school facilities for example: away from windows if the threat is outside. Secure all doors to isolate children and staff from any dangerous situation. This may include relocation - away from school entirely if the facility as a whole has become hazardous.
