

## Bandelier Pride!!!

At Bandelier, we are proud to say that we have an excellent relationship with our PTA!! We often work together on important community events and, this year's Bear-a-Thon was no different! Our community was asked to help the PTA in making supportive and encouraging signs for the annual Bear-a-Thon. Needless to say, our creativity rose to the occasion and we plastered the cafeteria walls with colorfully fun and encouraging posters!! Here are some of the contributions.

## Arts and Crafts

Art Area at Bandelier is always a fun place to be! Sometimes, we have planned activities, and other times, we just dig into our creativity all on our own. Here are some pictures of some water color painting and a create your own popsicle craft. As you can also see from the pictures, sometimes our creative juices get flowing so well that we even start to sing and dance!

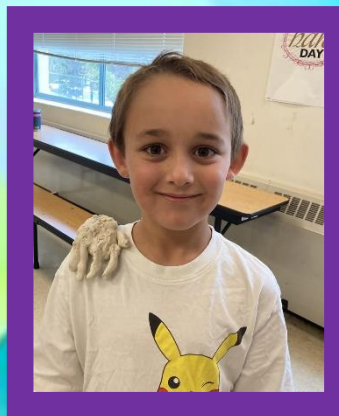

# LIFE IS A STAGE!!

**Our resident thespian, Milo, leads us in a variety of theatrical activities! In addition to putting on a play written by one of our kids, he is also running an improv class! Walk into the hallway during program and you may witness a zombie attack or any number of other theatrical**

This week, the Wednesday Club even got a little theatrical with their creations! While creating the Addams family "Thing," Abel said "I made raised scar tissue out of clay on my thing!" Perhaps we have actors and stage makeup artists in our midst.
