THE HOLLERIN' HAWK

Lenny and Branch

How old are you and what grade are you in? 6 in first grade

6 in third grade.

What do you like to do on weekends? "I want tablet time and I like doing art." "I like to play games on my Tablet."

What is your favorite experience here at CC? "War Club because Branch ran it." "Making clubs and going to clubs."

Who do you look up to most? "My family, my teacher and my friends." "My sisters."

What do you want to be when you grow up? "A vet who works on a farm who rides horses and also paints rocks i find after riding my horse." "Maybe an athlete or go in the

Army like my pops and nanny's dad"

MRS. MCKEEVER

How do you come up with the games we play? "I build all the games around the national P.E. standard. I look them up for instance if we need to practice throwing I can just look up game to practice that."

Do you add your own stuff to them? "Yes, often. Sometimes they work and sometimes they don't."

How long have you been a P.E. teacher? "9 years and I worked as a tech teacher for 10 years before that. I did all of those years here at Hubert Humphrey."

What was the worst injury to happen in P.E.? "Not an injury but I've seen some bad asthma attacks that have scared me. I've never had a broken bone or even a concussion."

What is your favorite game you have taught us? "Omnickin poison ball because I like to play that one with you guys."

What is your favorite food? "Pizza, all pizza but pineapple does not go on pizza. Neither do mushrooms."

What is the hardest game you have to set up? "Ghost in the Graveyard."

Do you have a husband? "Yes, I have been married for 28 years and we have 4 boys."

What is your favorite holiday tradition? "On Christmas we all have the same number of presents and we take turns and open them one at a time."

THE GREAT CC BAKE-OFF WEEK 3: ENTREES

This week we did personalized pizzas. Everyone had to work together and communicate to share materials. It got a little messy but at the end the results were awesome!

Learning safe food handling and knife skills!

Jasmine and Jake helped pick winners this week!

Athena helping cleanup after the activity!

Clownin' Around

The kids had a great time pretending to be clowns with our new circus bin this week. They took turns dressing up and have even asked for face paint to make our own CC Circus next week!

JASMINE TOOK A GROUP OUTSIDE TO PLAY LIFE SIZE BATTLE SHIP. THIS GAME USES OUR BODIES AND A BALL. TEAMS TAKE TURNS TOSSING A BALL OVER A SHEET TO TRY TO SINK ALL OF THE SHIPS (KIDS) ON THE OTHER SIDE.
