Pocket Plants

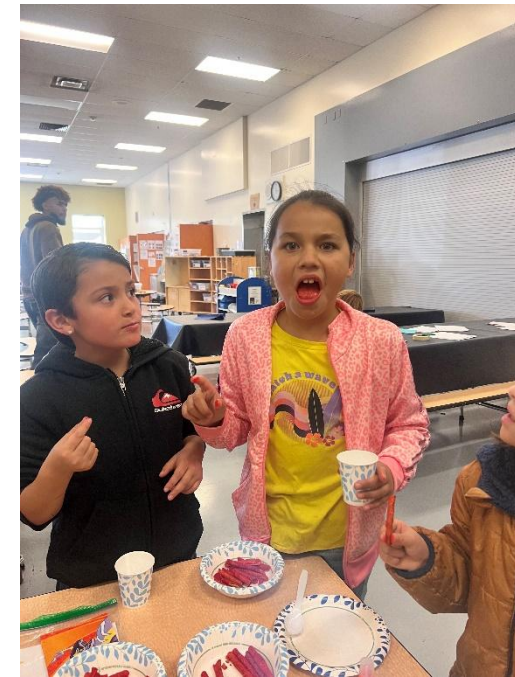

In this fun and creative activity, the kids designed and decorated their very own mini plant pots before planting seeds to take home! Using paint and their imaginations, they turned simple containers into one-of-a-kind works of art.

Once their pots were complete, the kids carefully added soil and selected their seeds, excited to watch their plants grow over time. This activity was a great way to introduce them to gardening and responsibility, and they left with a new pocket-sized plant to care for at home!

Spicy and Sour Challenge

The Spicy and Sour Challenge was a wild ride of funny faces and daring tastes! Everyone took turns trying snacks that were either super sour or a little spicy. Giggles quickly filled the room as faces scrunched up and eyes widened from all the crazy flavors. The challenge was all about having fun, pushing limits, and seeing who could handle the heat and sourness. Everyone left with a big smile and tingly taste buds!

Hula Hoop Relays!

This week we played Hula Hoop Relay! The game was full of energy and excitement as the kids hopped from hoop to hoop racing toward each other. When they met in the middle, they quickly threw down their best rock, paper, and scissor moves. There was a lot of laughing and cheering with every win and loss. The winners kept hopping toward the finish line while the others dashed back to their team ready to try again! Everyone had a blast regardless of the wins and losses and by the end, it wasn't about who finished first. It was about the laughter, teamwork, sportsmanship, and nonstop fun that everyone got to experience!
