Family Event

We are excited to announce Children's Choice Double Eagle Family Field Day event! Join us April 4th from 3pm-6pm for kids vs guardian games, food and fun! We will also have our cheer team teaching their cheers and family face painting! Everyone is invited and we hope to see you there!

Kid Spotlight Meet

Roman!

Roman is one of our awesome 3rd graders! He enjoys playing Fortnite and playing hockey for fun!

What is your favorite food?

I like a lot of foods but sushi is my favorite.

What do you want to be when you grow up?

I want to be a professional hockey player and play for the Minnesota Wild.

If you could change one thing about Children's Choice what would it be?

I would make more tech time and if I did that then all of the kids will elect me to be president of CC.

If you could have one super power what would you want?

I would want to fly so I would never have to buy a plane ticket ever again.

Stop Motion Animation

Recently we learned about stop motion animation. The kids created characters and storylines of what they wanted them to do and with a little help from our friend Chris they created some really fun and creative animations. All of the kid's animations will be showed in a compilation at the Celebration of Learning on May 3rd at the Children's Choice main office at 10601 Lomas Blvd NE.

It's a Bird, It's a Plane, It's an Canvas?

We learned that there is more than one way to paint a picture. The kids put paint on a canvas in no particular pattern and threw it like a frisbee and they ended up with some really awesome abstract designs. They added more paint to their canvases and threw them as many times as they wanted to get their desired design.

We Love Nature

The kids got a head start on spring by planting tomatoes, vegetables and some wildflowers. They also made some birdfeeders for our feathered friends. We used recycled egg cartons to plant our seeds and we used plain gelatin in molds with birdseed to make our birdfeeders have zero impact on the environment.
