DREAM JARS

In celebration of Black History Month in February, a few artists in the Art Area created Dream Jars. They began by reading about Dr. Martin Luther King Jr! They discussed the feeling of belonging and what it means to be included and equal. **“People should get treated the same even if skin color is different” says Avyianah M.**

After reading the book, club members were inspired by the “I Have a Dream” speech. They decided to make Dream Jars as a way to visualize and capture the dreams that they have for a better world. Examples of the dreams that the club members had were:

Equal Pay - Lyriana

To be president - Sebastian M.

For my sister to live forever - Alexander

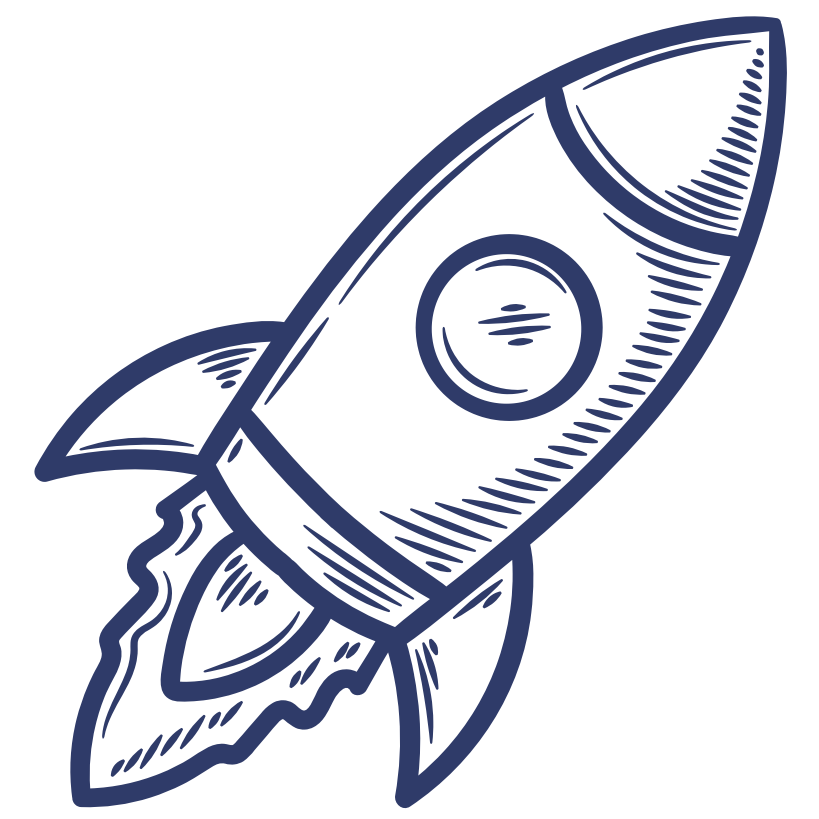

For a fair life - Ivan

To be a doctor - Annette
