Scooter Obstacle Courses!

This week, we took to the gym for an exciting **Scooter Obstacle Course Challenge!** The kids worked together to design some creative and tricky courses, using cones, mats, and other equipment to make each track unique. Once everything was set up, we were ready for the **time trials!** Teams raced through the courses, testing their speed and skills to see who could navigate the obstacles the fastest. It was a fun-filled activity that encouraged teamwork, creativity, and just the right amount of friendly competition!

Rock, Paper, Scissors Soccer!

Rock paper scissors soccer was a game filled with excitement as kids dribbled, passed and chased the ball-until two players reached it at the same time. Then there was a face-off in an epic rock, paper, scissors showdown. The winner took off down the field to try and score a goal while the other player scrambled to catch up. Laughter and cheers echoed in the gym as the game continued, full of surprises and quick thinking. This game was designed to help the kids work as a team and have nonstop fun together!

Quotes:

Christopher- "I was really good at being goalie!"

Jaxon- " I had fun playing with my teammates!"

Liam- "I'm really good at scoring "

Mermaid Drinks!

The kids had a great time creating their own sparkling drinks with a fun twist.

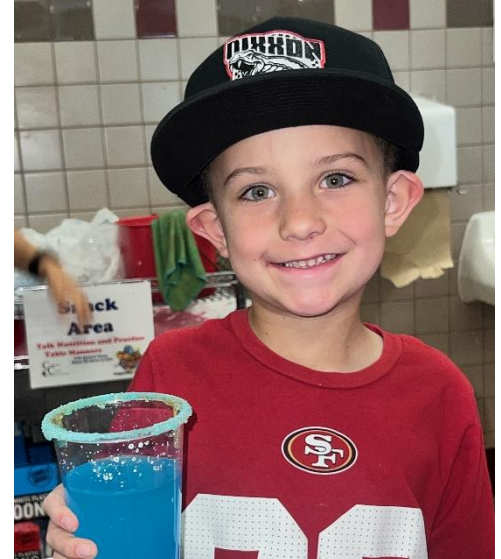

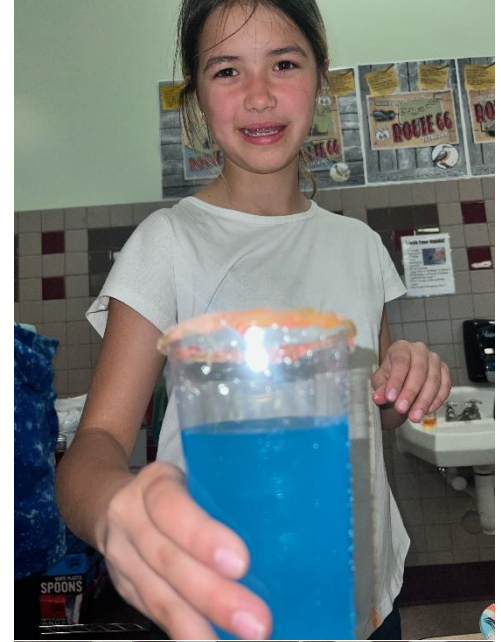

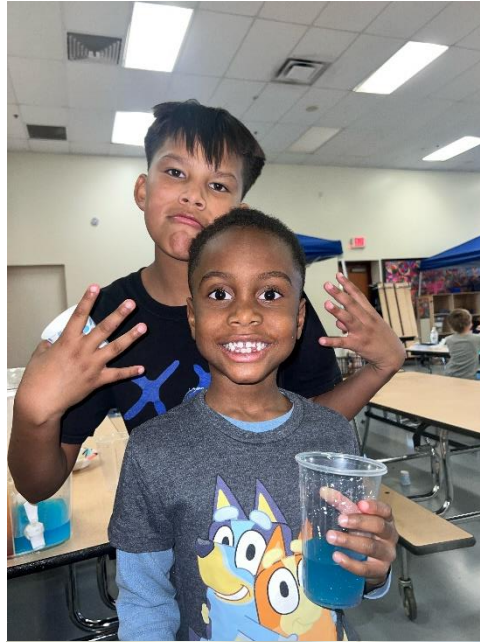

They chose between Gatorade or lemonade, each one shimmered with edible glitter, swirling like a magical ocean potion. The real highlight came when they dipped the rims of their cups into honey, then into Pop Rocks, which added a fizzy, crackling effect with every sip. The combination of glitter and Pop Rocks made for a unique, interactive drink experience that everyone enjoyed, giving them a fun, refreshing treat they could customize themselves.

Quotes:

August - "I made the lemonade perfect!"

Aria - "I don't know if I want to turn into a mermaid."

Marylou - "I like the glitter it makes it seem magical "
